

FR400

SPECIFICATIONS

Self-Powered Water-Resistant AM/FM Radio with NOAA Weatherband, and Flashlight, Siren and Cell Phone Charger

Weather any storm with the water-resistant FR400. The flashlight will help you find your way, and the siren can help others find you. You'll never be caught with a dead cell phone either. Just plug it in to the radio and turn the crank to supply power. The hand crank also provides you with power to listen to AM and FM radio, as well as weather station broadcasts. Get prepared. Get the FR400.
