

GRUNDIG TIMELESS PERFORMANCE

G1100 Options Galore

AM/FM/Shortwave Radio

SPECIFICATIONS

The G1100 offers AM and FM tuning, along with 10 short-wave bands. The telescopic antenna provides you with clear sound. But this is more than just a radio. It also functions as a digital clock (12- and 24-hour format) and as an alarm clock with buzzer or radio wake options, and a timed sleep option. This rugged radio comes with a protective case to protect its stylish looks.
