

GRUNDIG TIMELESS PERFORMANCE

GM300PE The 5-Ounce Wonder

AM/FM/Shortwave Radio

SPECIFICATIONS

When you are crisscrossing the globe, you do not want to haul extra weight or worry about power adapters. That is why this lightweight, battery-powered radio is the ideal choice for the world traveller. Though this radio is small, its sound is mighty. You get AM and FM reception, plus access to seven Shortwave bands, so you can keep up-to-date wherever your travels take you. The LCD display, clock, and built-in alarm mean you will be on time, no matter what time zone you are in.
