

# Sound50

## SPECIFICATIONS

### Stereo iPod Docking Station with Remote Control

The innovative design and smooth lines of the Etón Sound 50 meld seamlessly with your iPod to create a bold new way to listen. Share all your favorite music downloads by simply docking your iPod and letting the sound stream forth from the speakers. The fully functional remote control makes it easy to adjust the volume, select a new song, or completely control your iPod. And there's a special bonus, too: the Etón Sound 50 charges your iPod as you listen, so you never have to worry about draining the battery again.
